

clementinas

delaplana.com

Www.clementinasdelaplana.com is the new form that has designed the family Gimeno to sell the production of clementines and oranges of his own estates in Castellon de la Plana.

With his new shop, the family Gimeno wants to offer him natural, fresh fruit and of quality, newly taken of the tree, specially gathered for you.

Clementinasdelaplana.com after receiving your order, gathers his clementines of his own estates, packs them and sends them to all the homes, with the same freshness and naturalness in only 24 h.

Clementinasdelaplana.com gathers the best available varieties in every season of his own estates, choosing those who are in his better moment of ripeness.
